

April 25, 2022

Hello Patrons of Atoka Cemetery Association:

I hope all of you are having a blessed Spring. Our cemetery is in excellent condition, even with the absence of beneficial rain. We are always waiting on the next rain in Central Texas !

The property has been sprayed with a pre-emergent for grass burrs, and will get another application around June 1. Maintenance costs continue to be a constant and increasing expense. I ask for you to keep this in mind as you consider your donations !

Concrete benches were placed under the shelter last Fall. If you wish to purchase a bench for \$250.00, a plaque will be attached on the seat showing "In Memory Of" a certain person or family. Let Sue Shields or I know if your family might participate.

Because of schedule conflicts, we will not have an annual meeting in Novice this year. Very few have been able to attend the past 2 or 3 years. I am available to speak to any questions or concerns regarding the Association. My cell No. (325) 365-0618

I ask for your annual donations, so that our Cemetery remains in good financial and physical condition. Please mail to Atoka Cemetery Association, 699 CR 429, Novice, TX 79538 % Sue Shields

Regards,

Larry Garvin, President

P.S. Please refrain from placing objects, other than flowers, on or around grave sites – it makes it very difficult for the groundskeeper to mow and weed eat !
